

QUALITY OF LIFE

Livingston County offers a **happy** and **healthy** lifestyle. Nestled in the heart of the Genesee River Valley in the beautiful Finger Lakes Region of Upstate New York, the great outdoors enhance Livingston's quality of life.

- **Healthiest** county in New York State for second consecutive year (www.countyhealthrankings.org)
- Ample supply of affordable **quality homes**
- Excellent child care services and schools (17 districts)
- Easy **accessible** public services
- Abundant green space and tobacco free zones
- Average commute of 22 miles and **no congestion**
- Good mix of local shops and eateries
- **Strong community** groups and sense of place
- Home to Noyes Memorial Hospital, a 72-bed facility with a 24-hour emergency room (www.noyes-health.org)

THINGS TO DO

Spring, summer, fall and winter... you will always find adventure in Livingston County

Like to hike, bike, and camp Livingston County has ample acres of parkland, miles of trails, and entrances to two state parks, Letchworth and Stony Brook.

Enjoy Livingston County's amazing fall foliage as you tour our wineries and heritage trails. Shop and dine in one of our walkable and historic downtown districts.

Venture out in the winter weather and try snowmobiling, snow tubing, cross country skiing, snowshoeing or ice fishing!
